Your Story With Us

15 February 2026 will stay tenderly etched in our hearts at Purnabramha Management (HQ), as Mr. & Mrs. Kulkarni and the entire Kulkarni family gathered to celebrate Aaji's 60th birthday—an evening lit from within by pure joy. Every greeting, every small ritual, every shared laugh seemed to say the same thing: this was not just a birthday, it was a grateful salute to the love that has held the family together for decades.

Priya's thoughtful care was felt in every detail, but the moment that truly made time pause was when all the grandkids surrounded Aaji as she cut the modak. With their hands reaching in, eyes shining, and Aaji at the center—smiling in that once-in-a-lifetime way—the room felt like a home. “Thank you for making Aaji smile like that,” Priya said, and we will remember those words as warmly as we remember the evening itself.

With Gratitude

Mr. & Mrs. Kulkarni, thank you for choosing Purnabramha to mark Aaji's 60th birthday and for trusting us with a celebration so close to the heart. It was an honour to host Priya and the entire Kulkarni family, and to witness the joy you shared—especially around Aaji, in that beautiful circle of grandchildren and blessings.
