Your Story With Us

On 25 May 2026, the joy of an anniversary found its place at Purnabramha Management (HQ), as Test Anniversary and family gathered to celebrate a bond that has quietly grown stronger with time. Between familiar Maharashtrian flavours and the comfort of shared traditions, the evening carried a gentle glow—one of togetherness, laughter, and unspoken gratitude.

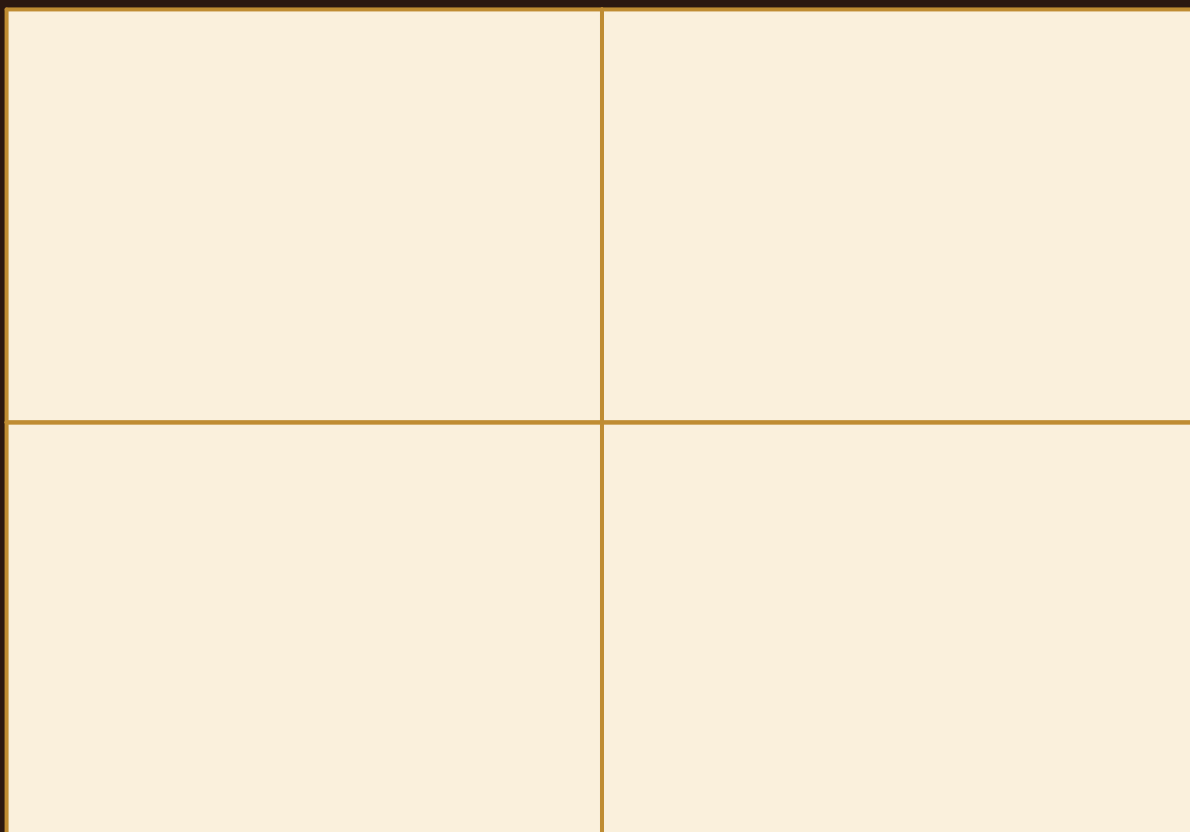

It wasn't only a meal, but a moment held with care: a family-organised celebration where every small gesture felt meaningful—an extra serving offered with affection, stories exchanged across the table, and the simple happiness of being fully present with one another. In that warmth, the anniversary felt less like a date on a calendar and more like a beautiful pause to honour love and companionship.
